

PRODUCT INFORMATION

What is MEGA LIQ CALCIUM

A molasses formula blended with lime flour. Developed to be fed post calving, it provides extra support to boost calcium levels during early lactation.

BENEFITS FROM FEEDING MEGA LIQ CALCIUM

- Provides extra calcium to support early lactation, post calving.
- Increases availability of instant energy to the animal.

PRODUCT INGREDIENTS

Blackstrap molasses, water, lime flour and suspension agents.

RECOMMENDED FEEDING RATE

Feed 1kg per cow per day.

STORAGE

Molasses should be stored out of direct sunlight, at less than 20°C and avoid contact with water. If stored in the correct manner, molasses will have a shelf life of 12 months from manufacture date, unless otherwise stated.

ORIGIN

Made in Australia. Blended in New Zealand.

MEGA LIQ CALCIUM is available in bulk shipments of 5 to 28 tonnes.

TYPICAL NUTRITIONAL ANALYSIS*

As fed basis (1kg) g/kg
