PRO
SUMMER

**THE SCIENCE OF
ENRICHMENT**

PRODUCT INFORMATION

Dry bulk feed blend, ideal for balancing and enhancing summer dry pastures

WHAT IS MEGA PRO SUMMER

Mega Pro Summer is a specially formulated dry bulk feed blend, ideal for balancing and enhancing summer dry pastures and for use with various types of supplements and crops.

BENEFITS FROM FEEDING MEGA PRO SUMMER

The combined ingredients blended into Mega Pro Summer allows for enhanced dietary intakes along with balancing and supplying requirements to reduce heat stress and allow for efficient rumination activity.

PRODUCT INGREDIENTS

PKE, Molasses, Calcium and Sodium.

ADDITIVES

Facial Eczema control can be added on request.

RECOMMENDED FEEDING RATE

Requirements may differ depending on current diets. As a guide slowly increase the level of supplement feed at a rate of 500g per cow per day to a maximum of 6kg per day for adult cattle. Suitable for feeding to lactating dairy cows

STORAGE

Store in a dry area taking all precautions to avoid rodent and bird infestation.

MEGA PRO SUMMER is available in bulk and bulk bags.
